Upcoming changes to membership pricing

— All membership tiers · effective Tuesday 1 September 2026

Dear Member,

We are writing to let you know about an upcoming adjustment to **Stadium 2000 membership pricing.**

We understand that any increase in pricing can have an impact, and we want to assure you that this decision has been made only after careful review and consideration. Our goal is to keep Stadium 2000 accessible and affordable while ensuring we can continue to provide safe, high-quality facilities, programmes and services for our members and wider community.

COMPETITIVE FEES

We've worked hard to hold fees for our members

Feb 2024

Membership fees have **remained unchanged since February 2024** — despite continued increases in operating costs.

Strong value

This review helps ensure we keep delivering a **safe, well-maintained, high-quality facility**.

One welcoming, community-focused facility

Gym, aquatic, recreation, fitness, wellbeing and group exercise, all in one place.

WHAT INFORMED THE REVIEW

Guided by independent cost indices

Informed by increases in the **Consumer Price Index (CPI)** and the **Local Government Cost Index (LGCI)**

— reflecting the rising costs of operating community facilities.
